produces sodium metal. Altogether 10,000 workers are employed in the above two factories.

9. Factory No. 35 is located 15 kms southeast of Sverdlovsk, in a clearing in the woods. The factory area is restricted and the workers are mostly Komsomol members. No one is employed whose political reliability is in doubt. Production is "top secret". This factory was in production during the war and its workers were exempt from military duty. Fifteen thousand workers are employed.
10. A small arms factory which is located 3 kms. east of Sverdlovsk is not yet in production. It is being equipped with machinery from Germany.
